

Search for a List of Child Care Providers Using ICES' Website

- Visit our website: www.icesagency.org
- From the home page, hover over the purple tab that says “Programs & Services”
- Click on “Child Care Resource & Referral”
- Scroll to the bottom of the page where it says, “Search for Providers in Your Area!”
- Choose your county (Tuolumne or Mariposa)
- Complete steps 1 – 4, following the prompts; click “next” after each step
- In the last section, “Finish”, please note your options:
 - You can increase the distance you want to travel for child care to prompt a broader search (recommended)
 - For “Type of Care” you can select either or both Center and Family Child Care
 - Then go through options below to select your preferences – click on “Edit Filters”
 - For “Program Type” you can select as many filters as you want
- After you have edited all filters to suit your child care needs, the Search Results should show up below, giving you a list of child care providers based on your needs. If they don't, scroll up a little and click the “Update” button. If there are no Search Results, you may need to go back and make some changes to broaden your search.
- You will have the option to “Print List”, “Email List”, and “View Map” to see where the resulting child care options are located.
